1. Who can believe the arm of the lord will be strengthened?
2. Who can believe the sorrow that will be eradicated, the words that will eradicate them, the living word that utters the spoken word?
3. Who will live/see? Who wants to.

4. I love you who want me, who love me, who hate me, who despise me; I love you all.
5. Who turn your back on me, I love you still. My love fades not, brighter than the sun is, ever remains, will be, yours, upon returning/surrender. I adore thee still.

6. My time runs out. My time is now. My utterances foolish, not; real, true'd, accuracy beyond description/describability. I love you all hearing and not hearing me, caring and not caring; utterly despising me. I love you all.

7. Who can believe my somersaults/tumults? The roaring waves, seas tumultuous; waving, roaring, destructively mannering/manifesting not me. I love you. The engines running trying to outmaneuver that which not of me is, results in. I love you.

8. See the try-ers, the giver-up-ers, those caring not, and those caring deeply. I care not for them, not; my heart goes out to them, not; my heart is in them. Oh if they knew. Some do/have me released, and know me. I endorse them, not; endorphin them, not; but enliven them everso with/in me now. I love you all.

9. See what I have said in moments, minutes few.

12. This is the moment/time and all stands still, not; exercise of only me, not; me not me furiously fomenting that which washes up much, not; torments many, flames and torment, flames and foment; and horses vomit, not; man. I love you/reach out to you/in you still. I am my beloved/lover.

Me.

13. Think not of another/time but only me/of me.

14. I love you still.
